I looked behind me, and i saw her there standing with a with cloth in his hand.

I smiled at her, then went towards her.

You have soot all over your face!.
She said.

I Chuckled and said
sorry mom.

Do you really have to go?..
Mother said, having a concerned face

Hm, I'll be fine. Besides, i want everyone to have a great new year.
I said. Reassuring her that ill be fine.

Thank you, tanjiro.
Mother said

I smiled towards my mother, then we heard two voice's calling for me.

Oni-chan!!
The two kids called in unison.

I looked at my side to see my siblings running towards me.. hanako and shigeru.

Are you going to the town today?

Shigeru questioned

Can we come with you!
Hanako then said excitedly having sparkles on her eyes.

Mother was surprised abit and then her face turn into a kind of angry look.

Oh no, you guys cant go with your brother.
Mother said.

You two cant walk fast like your big brother. And your brother isn't going to be bringing the cart today.
Mother added.

Ehhhh, we'll promise to help onii-chan!!.
Hanako said.

No.
Mother said.

***Chuckles* sorry guys but, if i come back i promise to read books for you.**
I said to my younger sister hanako.

And i promise to bring back goods.
I said to the both of them.

The two looked at each other, and smiled. Then the two of them look at me again and said.
ok!!, You better keep that promise..

Hm.
I hummed and nodded.

Onii-chan!.
I heard my younger brother called for me..

I looked towards the person who was calling for me. And saw takeo calling for me.

I smiled at him and said..
Hello takeo.

Are you going down the mountain now ?
My brother said with a concered voice, but still have an angry look.

***Chuckles* hm.**
I said

I heard my brother sigh.

I was hoping we could chop some wood's together...
Takeo mumbled.

I patted his head.

Dont worry, we can do it tomorrow.
I said and smiled.

Look!!, Takeo is blushing!!.
Hanako teased takeo.

I-i am not, what nonsense are you talking about!!!!.
Takeo shouted.

All of us laughed.

I'll get going now..
I bid farewell to them.

Then i heard someone calling for me again.
I saw nezuko and rokuta on her back sleeping.

Nezuko!.
I shouted.

Onii-chan.
She shouted back.

Are you going down the mountain now ?.
Nezuko said with a concered voice

Hm.
I hummed

Our siblings has been following you, you know..
Ever since father died...
Nezuko looked down with a sad face.

I looked at her with a concered face. And smiled softly and patted her head..

Take care, onii-chan..
Nezuko said.

I'll be fine.Nezuko..
I said

I bid farewell to nezuko. And went down to the mountains.. to sell some charcoals..

Tanjiro already bid farewell to his family and went down the mountain's to sell some charcoals..

\•\•\•

See!!! I told you it wasn't me who broke it!!..
He said

Oh..so it was a cat..
She said not even caring about the guy she just beatin up.

.....

Hope this is enough..
I said to myself, and smiled..

I should get going now.. the sun is setting down already...
I added

I started to walk towards the mountain until someone called for me..

Tanjiro!!!, It's already night.. you shouldn't be outside at this rate!..
He said

I'll be fine.
I smiled reassuring him ill be fine

Come here!, Do not argue with me, it's dangerous!!..
He said

Sigh* I'll just have to accept the offer, i do not want to argue, I'm already tired too..
I thought.

In the end i just accepted the offer.
We talked about demon slayers and demons..
And after that i slept.

Why do i feel like something is wrong....

.....

Hello everybody :)
Thanks for reading chapter 2 :)...

3

3rd person pov:

Tanjiro woke up early in the morning, and bid farewell to his so called uncle saburo..

Maybe because he's just lonely.. ill bring my siblings here next time and say, were here and you will be alright..
Tanjiro thought

As tanjiro was walking farther up the mountains.
He sniffed the air onky to smell blood..

His Eyes widen because he was surprised..

He run fast and faster, from afar he can see the rooftop of their house..

When he finally reached his home, he was greeted by nezuko protecting rokuta.. there were blood on them..

He looked at them with a scared face..
He went inside only to see his mother and his other siblings all bloody..

He went towards them to check if they have pulse.. but all of them have none..

Tanjiro cried, blaming his self... All day long he cried.. no one even survived.. he kept thinking of who did it.. or why would they do it..

Then he stopped crying..his Eyes just became dull.

[am i making a 2.0 version of giyuu 🫥]

(Time skip)

Tanjiro prayed for his family.. and took a sword that his father had

back then..

He bid farewell to the house and to his family who is already dead, and left...

Tanjiro doesn't know what to do now.. his left all alone... While walking inside the forest.. he keeps hearing voices in his head... He didn't really cared about it and just continued to walk..

Since it was snowing up in the mountains, he didn't really cared if it was cold of what's so ever..

He was used to it.. not even shivering because of the cold.. even if it was cold he was warm..

To the corner of his eyes he can see a person...

He looks see through.. he has a scars on his forehead like tanjiro... A very long burgundy hair...

He keeps seeing him but ignored it.. and he keeps following wherever he goes...

When the night came he now has a fire... He stared at it. And did nothing...

He was wondering why a spirit is following him...

It was a very comfortable silent then tanjiro broke it..

Why are you following me?...
Tanjiro questioned the spirit who is following him

I can teach you to become a demon slayer..
He said

Tanjiro looked at the spirit for abit.. and he spoke again..

You need to kill that demon who killed your family...
He spoke

Hm..okay...

Tanjiro spoke bluntly

My name is yoriichi..by tomorrow your training will start..
He said.

Tanjiro nodded at that and just stared at the fire once again.. feeling tired.. his Eyes feeling heavy and he fall asleep..

Yoriichi stared at tanjiro and went closer to him to take a closer look at thim..

He patted his head...

Hm..
Yoriichi hummed and just left..

.....

Hello everybody :).

Thanks for reading this chapter. :)

4

3rd person pov:

It was early in the morning, tanjiro woke up.. laying in the snow..

He actually felt comfortable just laying in the snow..
It was a peaceful morning..

He got up and started to search for food..

Tanjiro found a rabbit.. and captured it..

[time skip i guess] •

The sun was now fully out.. and yoriichi appeared..

Your training will start now..
He said

He trained tanjiro all they long.. Tanjiro struggled at first but still had a very calming state.. not really caring if he had many bruise already..

His body was tired but he didn't payed no mind and continued training...

He coughed blood, but still he just wiped it..
Not really caring..

He captured animals for food earlier so he doesn't need to capture more..

His body was already tired..

The sun is now already setting down.. so yoriichi stopped the training for the day and will just continue by tomorrow..

Yoriichi was quite impressed of tanjiro.. even if he was tired he still

continued.. and just kept a calm face all the time, just like him..

Tanjiro then started to make a camp fire once again and layed in the snow..tired..

Tanjiro pov:

I've been training all day with yoriichi...
And im tired.. but still i wanted to continue..

Yoriichi is just there sitting snd staring at me..
I didn't really payed no mind to him and just layed in the snow getting comfortable..

I dont reallt feel the cold.. it's just comfortable..

Yoriichi pov:

Im quiet impressed that a kid like him even tho his tired he kept continuing.. not really caring if he has many bruise already..

You will one day kill that man.. Muzan kibutsiju...
[hehe man LoL]

Is he even feeling cold while laying in the snow..?
I thought.

I stared at tanjiro.. and he is just laying there not even feeling the cold.. he looks comfortable laying on the snow..

Hm..
I hummed silently

.....

Hello everyone.

Thanks for reading this chapter ✧

5

3rd person pov:

Tanjiro has been training for months..

Day by day, tanjiro gets stronger...

But due to his training, he gets scars.
Even if it heals the scar marks remains in its skin..

One day tanjiro is training once again but a certain demon slayer have been watching him from afar.

The demon slayer was just wondering in the mountains to find a demon, but he saw a person training, so the demon slayer decided to watch him from afar..

??? Pov:

I was just wondering around the mountain to find a demon.. it is my mission afterall..

Once im done with my mission, im gonna get some mochi!!.
I squealed in happiness.

I loved mochi, it's sweet. And i love sweet's, mochi are delicious too!!.

My hair turned into pink because of eating lots of mochi!.

I was jumping for tree to tree, when i found a girl? Or a boy, from afar training..

The person have a long hair, and a burgundy color..

I cant really describe the person much, because i am just watching him from afar..

Ohh!! Is he gonna be a demon slayer!!?. Ahh!! Can't wait to have more demon slayers!!.
I thought

Oh?. They stopped training??
I thought again.

They then looked at my direction, and i just hide so fast that i nearly fall. But thank god i didnt..

I should get going now, i still have a mission!.
Oh! That's right!!!.
I thought.

We will see one again person!!
I squealed in happiness once again and left.

Tanjiro pov:

I was once again training...

While i was training, i can Sense another person from afar..

Everyday when i train my scenes just got stronger...
And I don't get tired easily..
Thanks to sensie/yoriichi for training me...

He said, once i am ready i can now go to the final selection to be a fully demon slayer...

I am very determined to go to final selection...
And kill every demon i see.. and ofcourse kill the demon who killed my family...

Anyways.. back to the other person i can scenes from afar.. i stopped training and looked at the direction where the unknown person was.. when i looked, the person was gone?.

Hm. That's wierd ???..

.....

Anyways hello people, thanks for reading this chapter :))

6

3rd pov:

Another day of training in the woods with yoriichi.

Tanjiro went up further through the mountain's, to train...

Tanjiro will go up the mountains. And go down the mountain's while avoiding. Many traps. That was set by yoriichi..

[So, you might be wondering of how?. I mean ghost can touch stuff whenever they wanted too in irl too right?]

Tanjiro has been doing good for the past few months..
His level is close to yoriichi.. but still he needs to train hard. Since there are 13 form's of sun breathing, he only mastered 10 of it...

Yoriichi, ofcourse, teached tanjiro on how to go to the see-through-world.. and how he can hide his aura.. that way it is easier to fight against a very stonger demons...

While tanjiro was training, another demon slayer was lurking the wood's trying to find a demon's to slay..

Demon's have been lurking the mountain's sometimes... And ofcourse, a kasugai crow will spot the demon lurking around the mountain and ofcourse report it..

A certain demon slayer, that has a blond hair.. and a fire like hairstyle. Was ofcourse trying to find the demon.. when he spotted a person that has a burgundy hair.. and you know it ;).

??? Pov:

A kasugai of mine have reported to me that there was a demon lurking on **Mt. Kumotori.** My mission is ofcourse, find the demon and slay it.

While i was walking through **mt.kumotori.**
I have spotted a person that has a burgundy colored hair. And his hair was tied.. he was wearing a black-and-green ichimatsu patterned kimono. But despite being a boy his very beautiful..

I was amazed of how fast he moves.. so i just watched him for a bit.. when he used a breathing style i was surprised..

Is that flame breathing?.. wait. No that can't be. It doesn't even looked like a flame breathing.. this boy. Is he.. making his own breathing style perhaps?..
Im impressed!. I must report this to uyakata-sama..
But Before that!!. I must find the demon!!
I thought to my-self.

Then he stopped training, and turned towards my direction.. before he could see me i already left..

Tanjiro's pov:

While i was training the sun breathing, i felt someone watching me from a far once again.. when i looked through the direction.. i saw a fire like particles that are now fading..

Am i... Seeing things???. Wierd thing's always happens... And it wasnt even a demon... Even from the last time.. a girl that has a pink hair was watching me from afar that time too... I only get to see the little details...
I though.. then i just shrugged it off and started to train..

.....

Hi friends 👋, thanks for reading this chapter.

And sorry for slow updates .,.

7

3rd person pov:

Another day of trying to master sun breathing..
Tanjiro decided to move to a different place, he's still at **Mt. Kumotori.** Tanjiro just moved places to find animals.. while walking he saw pond. He decided to make a campfire next to it at night..

It was very peaceful place.. the pond was like glowing.. because of the sun rays.. there we're butterflies.. plenty of them.. the flowers are very nice too..

Then yoriichi appeared..

Alright.. it's time to master the 11th. Form of sun breathing..
Yoriichi said.

Tanjiro nodded. Then yoriichi now started to teach tanjiro..

??? Pov:

I was now at **mt.Kumotori..**

my **kasugau crow** said i should go to this mountain.. i do not even know why..

While walking a spotted another hashira walking..

And it was *sanemi* ..
My snake hissed..
Sanemi looked at me and said...

What the you doing here?.
He questioned...

Doing a mission. are you aswell sent here?
I said.

Hm..
He hummed and nodded

***Sigh* let's get this over with...**
I said and walked once again, but this time im with *sanemi*

Sanemi pov:

My **kasugai crow** said i have a mission here at **Mt. Kumotori..**

So i just went to this goddamn mountain to find the fucking demon..

While i was walking i heard a snake hissed..
When i looked towards the direction i saw
Another hashira..

What are you doing here?.
I questioned

Doing a mission..are you aswell sent here.?
He said

Hm.
I hummed and nodded at him

***Sigh* Let's just get this over with...**
He said and walked away with me trailing behind..

From the distance we can here someone swinging some sword, from the distance we can see a person swinging some sword..

He's training..
I thought

Me and iguro looked at each other and jump from the tree's to watch the person who is training..

Obanai's Pov:

Me and sanemi jump from tree to tree, going close from the person who is training..

After swinging his sword he started to use breathing style's..

That's.. beautiful...
I thought.

Even tho i had a mission i cant take my eyes of him..
He's just so. Beautiful.. wait.... The hell am i thinking?
They though..

Then he stopped.. he looked towards our direction..
We made eye contact for abit.. i could feel my cheeks burning up..
my snake happily hissed..

I broke the eye contact, and turn the other way and left.. leaving sanemi behind..

Sanemi pov:

He stopped training.. then he looked towards our direction.. making eye contact with obanai..

They made eye contact for a bit then obanai left.. leaving me behind..

Then we made eye contact....

He tilt his head, making a confused look..
I could feel my cheeks burning on how cute it was.. but i hid it.
Showing no emotion..

I made a "tch" sound and left.. leaving the person confused..

3rd person pov:

Tanjiro just stand where he was dumbfounded..
Showing no emotion..

Hm.. those two... The aura they give off is, strong..
I said to myself.

Those two person that you saw are called hashira's, tanjiro.. hashira's are stronger.. hashira's are the people who killed over

50 demons..
Yoriichi explained to tanjiro

Hm.
Tanjiro hummed understanding what yoriichi said. And just trained again..

You need to master 11th and 12th form.. next month.. final selection will start...
Yoriichi said while looking at tanjiro

Tanjiro looked at yoriichi and nodded

.....

Hey everyone 👊

Thanks for reading this chapter :>

8

3rd person pov:

Day's have passed and tanjiro had already mastered sun breathing..

Yoriichi was ofcourse proud of tanjiro.. no one had actually mastered sun breathing for years, knowing it's hard to use.. and ofcourse as day's goes by.

The sun breathing have been forgotten..
Not many sword's men know's sun breathing now awadays..

Tanjiro have came back to his old house...

Since there were dust insude the house. He decided to clean the house first..

Yoriichi has said that tanjiro can now leave and go to the final selection, tanjiro nodded at yoriichi. And decided to get ready and leave at the morning..

Final selection will be held at **Mt. Fujikasane.** A place where demon's are captured and are used for training...

Tanjiro went to his families grave and prayed...

After that he went inside the house..

[Time skip]

It was now early and the morning, and tanjiro is now getting ready for the final selection..

He left the house and walked towards Fujikasane mountain...
Yoriichi wasn't really at tanjiro's side for the moment. Who is just on his own spirit world..

Yoriichi only appears when tanjiro is in need of help.

Knowing tanjiro could now take care of his self he just rested on his own spirit world..

Now moving on...

[Another time skip]

Tanjiro pov:

I had now arrived at **mt. Fujikasane** looking around.. the tree's were very pretty.. and well treated..

The way the wisteria petals (?) Glowed under the moonlight... It was a very nice sight indeed..

I walked further inside The mountain and there i found a many people who wanted to become a demon slayer..

There were many if i should say so myself.. but the question is.. how many people will survive?..

I looked around for abit, observing the other people who are just talking and the others who just looks serious..

But there are some people who caught my eye who will eventually survive this so called ***final selection***

My thoughts got interrupted by a two kids.. they were infront. Explaining everything we needed to know about this final selection..

Then after their explaining, all of us started to enter the forest.. some people went with pairs.. some just go solo.. all of the went into different direction..

I just jumped up from tree to tree... Always keeping my guard up..

••••••

Hi guys :]

That's all for this chapter ✧ thanks for reading : D

9

3rd person pov:

Final selection has already started, and everyone already left, going to different direction..

Tanjiro is just up the tree not really caring on what's happening that much.. he haven't seen demon that much so he decided to just rest for a bit..

He leaned against the tree and closing his Eyes...
Tanjiro may seemed very open, but his guard is always up...

Sometime later he sensed two demon's complaining of how hungry they are..tanjiro who is just up the tree not really minding the two demon's talking from the distance...

He opened his eyes, glancing at the two demon who haven't noticed his presence yet..

The two demon's had stopped walking, and sniffed the air sensing a human from up the tree, the two demon look up and saw tanjiro..
The two demon's drooled because of hunger and charged towards to tanjiro..

He jump down the tree and avoided every attack's the demon gave to him...

The two demon's looked at each other having pissed looks.. and then started to argue...

Hey!!.. he's my meal, i was the first one to see him!!!!
Second demon yelled

No you step out of my way!!!
First demon yelled back

Tanjiro just stood there deadpanned at the two demon's bickering...

In a blink of an eye their head was already sliced by a person ...

The two demon who haven't yet noticed until they felt they're vision is tilting to side ways...

They're head is now on the ground, the two looked shocked and looked at the person who beheaded them, and ofcourse it was non other than Tanjiro..

Tanjiro bowed and prayed.. saying sorry to the two demons who became a demon.. and prayed for them to become a human on they're next life..

After praying, he jumped from tree to tree once again looking for a comfortable spot... And then leaned on the tree once again..

[Moving on to 2nd day]

It was now early in the morning...

He have to look for animals, ofcourse he needed food to survive, i mean who wouldn't want food to survive anyways :']..

[Time skip]

After eating tanjiro once again decided to walk for abit.. he didn't really need to sleep in the morning... Since he took a nap for abit at night.. and he himself thought that he could take a nap in the mornings too, knowing it's safe because demon's will not show up in morning's..

While walking he saw a person leaning against a tree..
He has a scar on his face, a mohawk looking hair...
He has a purple yukata on...

Tanjiro walked closer to him checking if he was still alive or something...

He reached for his neck, and checking his pulse..
When tanjiro touched the person, the person jolted awake.. and immediately opened his eyes, ready to swing his sword.

Tanjiro backed away abit having no emotions shown on his face...

The two made eye contact for abit, then the person that tanjiro has touched got angry...

The fuck were you doing huh???!!..
The person said having an irritated voice..

Ah.. gomen (sorry).. i thought you were dead so i decided to check your pulse to see if your still alive...
Tanjiro said...

The person observed tanjiro, looking at his features...

Long burgundy hair... A scar on his forehead.. and dull burgundy eyes... He gives a very calm aura..

The more he looked at the burgundy haired boy he could feel his face burn up..

Tsk!, I don't care so leave me the fuck alone!
The person said to the burgundy haired person infront of him..

Tanjiro could only nod, but before leaving tanjiro said his name and left...

The person who was ofcourse blushing.. left behind..

.....

HEY!! HEY!! HEEEEEYYYYY!!!!

Hello everyone ✧

3rd person pov:

Tanjiro is once again up the trees resting, waiting for the sun to set.. it was still afternoon so he can still have a nap..

•••••

Tanjiro fluttered his eyes open, and blinking twice adjusting his vision.. once he can see very clearly..

He can see the sun is now setting.. meaning the demons can now come out, and hunt for some humans to eat...

He jumped down the tree and looked around, looking for demons to slay..

While walking he can hear someone scream from afar...

Tanjiro ran from the direction where he heard someone scream..

No one told me about this!!!
The person from afar screamed..

When he got close, he can see one of the participant ran from the giant demon..

He has a green skin.. and has many arms around it body... And it's holding three of the participants heads..

The guy who was running away from the demon earlier tripped, making the demon to attack the person..

Before the hand demon could touch the participant...
Tanjiro sliced it's arm and picked up the participant and put the person in a more safer place...

Are you alright?..

Tanjiro questioned the person..

H-hai!! (Yes!!)
The person said

Hm... You can go... Ill handle it..
Tanjiro said

The person nodded and run away from Tanjiro...

Tanjiro went to the hand demon, and now tanjiro is now standing infront of the hand demon..

You.. you're the person who stole my meal!..
The hand demon said almost yelling..

Never mind that... You'll just be my meal!..
The hand demon said and laughed..

The hand demom send an attack to tanjiro only to be dodged.. he send another attack to tanjiro only to be dodge once again.. the hand demon did it over and over again but his attack was always dodged..
The hand demon started to get irritated.. sending multiple hands to tanjiro..

In a blink of an eye, all the hands that was send to tanjiro was all sliced... The hand demon was shocked by it.. and the hand demon was now confused of why he cent regenerate...

Why... Why!!!???... Why cant i regenerate?!!!
The hand demon yelled in frustration..

You!!.. what did you do??!!!..
He yelled again..

Tanjiro disappeared in his spot making the hand demon scared...

He reappeared close to the hand demon.. and swing his sword to cut his head off...

He's... Fast... There's now way!..

The hand demon panicked...

Sun breathing fourth form: burning bone, summer sun...
Tanjiro muttered

Tanjiro made a circular slash, cutting the hand demon's head off completely clean...

The hand demom fell, it's head was rolling and stopped.. the hand demon looked at the person who completely cut his head off.. when he looked at tanjiro..

He saw tanjiro holding his arm that hasn't disappeared yet completely... He saw tanjiro prayed and left...

The hand demon cried... Even tho he was a demon... The person who just sliced it's head of, still give prayed for him...

After that the hand demon disintegrated.

[I dont know what its called when the demon crumbles away??, I dont even know what I'm saying]

.....

Hello everyone (～￣³￣)～

That's it for today's chapter (◍•ᴗ•◍)

3rd person pov:

[Moving on 3rd day]

After defeating the hand demon..

Tanjiro decided to just walk around.. if he sees a demon he will slay it...

While walking around he is looking for food too...
He wasn't really that hungry, but decided to just find some food, for him to eat later...

.....

Tanjiro managed to find some fruits along the way...
He will eat it later, since he's not hungry yet.

The sun is now going up.. making all the demon in the mountain hide.

He jumped on a tree and continued going up, when he reached the top of the tree, he looked at the sun that was going up..

To tanjiro, it was a very peaceful sight... Seing the sun going up..
The heat of the sun touched tanjiro's skin..he closed his eyes.
Enjoying the peacefulness...
Remembering all the fun times he had with his family..
All the family bond's they had..

Tanjiro couldn't help but smile a little...

Gomenasai...mina.. (Sorry... everyone..)
Tanjiro muttered..

Tanjiro fluttered his Eyes open.. seeing the sun that is now fully out...

He jumped down the tree and sat beside the tree, leaning against it, and closed his eyes once again..
Taking a nap. . .

.....

Tanjiro woke up from his little nap, his stomach grumbling, meaning he's hungry.. he decided to eat the fruit he found earlier...

After eating he stand up, and decided to walk around once again.

While walking he saw some of the participants..

He was wearing a white yukata, white hair , and light skin.

When he looked at me, his eyes were very bright blue..

Ah, your one of the participants right?
The person said

[Yes this is an oc i made :D, and no. He's not part of the harem :].)

Tanjiro could only nod.

What's your name?
The person questioned

Kamado tanjiro... You?..
Tanjiro said still having a stoic face

The person smiled softly and said..
Im Tamadashi shiori.. Wanna be friends?.

Sure...
Tanjiro said

Shiori's smile grew wider and danced happily because he made a new friend..

The two of them walked together and talked, well shiori did all the talking. And tanjiro, he would just answer when he asked a question...

Shiori was a very calm and kind person.

Even tho tanjiro doesn't talk much to shiori.they still can communicate easily...

It's like they were friends from a very long time...

Ne. Kamado-kun.. why did you want to become a demon slayer?
Shiori questioned tanjiro.

Tanjiro didn't answered yet.. making it silent..

Then shiori speaked again..

Y-you dont need to--
Shiori was cut off when tanjiro finally answered

I want to kill the man who killed my family...
Tanjiro answered bluntly.

Shiori felt bad... Shiori knew how it feels to lose a family, since that man did the same thing to shiori's family...

There it was again, silence, but not an awkward one. But a comfortable one.

Then tanjiro broke it..

How about you?... Why did you wanna become a demon slayer ?...
Tanjiro glanced at shiori who is just looking forward..

Same thing as your's...
Shiori answered calmly...

Hm..
Tanjiro hummed and the two walked together in comfortable silence

.....

The sun has already set, and the two made a campfire...

The two were cooking food...

To tanjiro, he liked shiori...not in a romantic way, but in a friendly way.. shiori is like a big brother to him..
Shiori is older then him in two years.. making shiori 17, while tanjiro is 15

[If i am wrong at tanjiro's age, then let's just say i aged him up :D , but if i am correct then it will be that way :>]

To shiori, he liked tanjiro too. In a friendly way.. his like a little brother to him..

The two get along really well.

The night wasn't really bad, two demon that attacked them was already killed by shiori and tanjiro.

3rd person pov:

[Moving on to 4th day]

The two walked around together in the forest..
It was clearly morning, not to mention, it is a very peaceful morning...

They were walking in comfortable silence, when they saw a girl walking from the distance...

Butterflies was surrounding her, she has a pony tail to the side of her head. And has a butterfly clip, she was wearing a pink yukata on...

Oh look!, One of the participants!.
Shiori said

Tanjiro looked to where shiori was looking at to see a girl..

He didn't really mind her and just kept walking towards another direction..

Huh?, Mate!! (Wait!!).
Shiori yelled while waving his arms up and down...

.....

The two was leaning against the tree, resting their body. Because of how long they were walking..
It was now afternoon..

As for tanjiro, he was just taking a nap.

And as for shiori, just eating some fruit since he's hungry... Enjoying the fruit that he not until one of the participants went up to them..

Oi!!! You fight me!!!
A person said not from afar.

Hm?.. Oh one of the participants!
Shiori said having sparkles in his eyes

I said fight me!!!
The person said.

While the two was talking, tanjiro opened one of his eyes and glanced at the person that was yelling at shiori..

He wore a boar mask..

Tanjiro couldn't really describe much of the person.
He started to get irritated because the person keeps on yelling at shiori to fight him...

But fighting each other isnt--
Shiori was cut of by tanjiro who spoke

Let's go shiori... Let's find different spots...
Tanjiro said having a little bit of irritation of his voice.

Ah- o-okay... Umm well see you then, ummm..
Shiori trailed off

Hashibira inosuke, do not forget that!!!
Inosuke said, pointing at his self being proud..

O-oh, then I am Tamadashi shiori, nice to meet you, hashibira-kun..
Shiori said being nervous

You dont have to use formalities to him...
Tanjiro mumbled...

You!!, You look strong!!, Let's fight!!!
Inosuke yelled. Pointing to tanjiro..

What a bothersome....
Tanjiro mumbled under his breath...

What did you just say??!!!
Inosuke yelled again..

Shiori tried to calm down inosuke who keeps yelling..

Tanjiro grabbed shiori by the wrist and run away from insosuke...

From inosuke's view they just disappeared..

They're... Fast...
Inosuke mumbled before getting excited..

Inosuke ran after them, but he didn't really know where they are..

.....

If you're wondering,
"Did inosuke really joined the final selection?"

Well he did joined the final selection.
But inosuke was just off camera the whole time.

He was off camera because
Inosuke was the first one to finish the final selection
In a early day.

Since they said inosuke joined final selection.
I made tanjiro and shiori
Meet inosuke in they're fourth day :D

You can search it up on google
Because that's where i found the information.
I got really curious too :'D

.....

Anyways, That's all for todays chapter :D

Thanks for reading : >

[3rd person pov:]

(Moving on to 5th day)

Last night they fought many demons along the way.
They only got a little dirt on their yukata, and face.

It happened to rain all night too.
But they sure were happy that they didn't got serious injury. There were many demon's, not many of the participants can survive 20 demons attacking at the same time..

But they way the two work together can be unbeatable together.
Always supporting each other's back
Damn even i Author-san want a very close friend Lol.
Anyways----

They were just walking around. The two talked for abit about their past. Sure it was hurting to them telling about their past but hey, they were glad that they have opened up to each other that fast.

They've only met 2 days ago and here they are talking like they were friends from a very, *very,* long time..

Shiori was earing a fruit they found a few days ago, and tanjiro just listen's to shiori talk :D

[sana all close ⊂((□▽□))⊃]

The day was very peaceful to them. But it they haven't seen people walking around too.

Shiori keep looking left and right. But he can't find one..

***Sigh* i wonder if the other participants survived.**
Shiori said

Tanjiro just looked at shiori of why he even needed to find other people but didn't questioned.

Oh!, Inosuke-kun looks strong right!, Maybe he'll survive too!
Shiori said happily.

But... He's annoying...
Tanjiro spoke

Hm..but still.
Shiori trailed off

[Time skip]

It was night already. No signs of demons yet, so the two decided to lean on a tree trying to get some rest...

Not from far away the two heard a loud scream, and i say loud, i mean **Very** Loud..

Shiori flinched because of the sudden loud scream from a distance...

Tanjiro however didn't really much care.

I think we should help him.
Shiori spoke worriedly.

Tanjiro could only sigh. Then they heard a very loud thunder sound..

Shiori once again flinched. Shiori is not really used to very, Very loud sound's.

Shiori always enjoyed peaceful sounds at their village..
He lived in a village that was very peaceful but one day it turned into chaotic. Demon attacking their other people's house one by one.

The village is not really big, it was reather small peaceful village...

Moving on--

Leave them be...
Tanjiro suddenly spoke.

Shiori gasp at what he said.

But--
Shiori was cut of

He might have already killed the demon... I think he's one of the thunder breathing users...
Tanjiro said

Shiori could only get worried more..

Trust them..
Tanjiro said

Shiori just leaned on the wall sighing.

••••••

(Facts)

• To Tanjiro. Shiori always gets worried at other people. Even tho he just met them. He doesn't get why he gets worried at other people that much... And he always looks like a cat whenever he flinched. He doesn't even know why he thinks of him like that.

• To shiori, tanjiro is calm, and he meant, Too calm.
But shiori is glad he's calm but not this too calm.

Shiori always gets worried to other people. And he always get too fond of people he just met.
He doesn't really know why. But that's what it is.

[3rd person pov:]

(Moving on to 6th day)

It was night, and shiori and tanjiro are fighting many demons..

Tanjiro only got small bruise's, same for shiori..

The sun is now going up.. and the demon's are running away to find a shelter for then to hide..

The two of them didn't really chased the demon. Since the two needed to take care on the small bruise's they received.

•||•||•||•||•||•

The sun is now already up.. and the two is by the pond cleaning they're wound's..

Once they're finished taking care of they're wounds.
The two looked at each other nodded. They need to go , since it's almost end of the day.

The two jumping tree to tree and would just talk sometimes.Or shiori did all the talking.

And tanjiro would just answer if needed. Or just nod .

•||•||•||•||•||•||•

[They have made it !, I wanted to skip now since i do not know what to write ;)]

The two went up the stairs... When they got there . They saw three people standing..

A girl that has a tied hair on the left (?) Side. Pink eyes.

A boy that has a yellow hair terrified. Muttering something that he will die or something.

And the boy that tanjiro have encountered, a boy that has a scowl in his face and has many scars. And a mohawk hairstyle.

Shiori looks around trying to find the guy that has a boar head. But he didn't see him.

Shiori was sad that many of the participants died.

As for tanjiro, he didn't really care. He only cared for shiori. Shiori is his friend, they fought together..
Tanjiro admired him.. he really thinks of shiori as a big brother.

The five of them are now standing infront of a shrine.
Then they saw two girl's coming on they're way...

And the two of them talked. Congratulating the survivor's.

[And we know where this story goes so im not adding it :D]

All of them has now left.. tanjiro was sad that shiori will be now leaving him..

I guess this it where we part ways .
Tanjiro said with a hind of sadness.

***Chuckles* dont worry, we will see each other soon too!. Just survive!!, I believe in you bud.**
Shiori smiled widely. And ruffles tanjiro's hair.

Tanjiro looks at shiori then nodded.

Take care Tanjiro!
Shiori waved and left.

Tanjiro looks at shiori's figure slowly fading away from his sight.

"**Promise me that..shiori-kun..**"
Tanjiro smiled a little. And determined that they will see each other soon

He then left too walking to they're old house.
All he need to do is wait for 15 days just for his sword to be finished.. while waiting he could train.

•||•||•||•||•||•||•||•||•

Aloha everybody!

So, that's all for today's chapter !

See ya in the next chapter ;)

[tanjiro pov:]

I am now at my house resting.. it was already night when i got home..

I met a friend at final selection.. but it's kinda sad that we have to part ways. But i am determined to see him again.

I closed my Eyes trying to sleep. After that i fell into a slumber...

-dream-

I was on a field full of flowers. It was Peaceful..

There i saw yoriichi coming close to me.

I am glad that you have made it.
Yoriichi said

Now that you have become an official demon slayer. You have to do this all by yourselves now.. which means i am not needed by your side anymore.
Yoriichi added

My eyes widened because of shock.

He smiled at me. And hugged me.

Kill that man, and for me. You're the only hope i have.
Yoriichi said.

-end of dream-

I fluttered my eyes open. It was now morning.

Hm.
I hummed

I got up and cleaned the house again. And started to train once more..

[15 days later....]

From the distance i could here some Bell's jingling.
I look forward to where that sounds. And saw a man with a... A clown mask?. And he has a sword on his back with a cloth covering it..

I sighed when the person was now at my front.

I am haganezuka and i have Forged kamado tanjiro's sword...
The so called haganezuka said..

Ah.. that's me..
I said.

He started to explain about the coler changing sword.
I already said to come in 3 time's and i gave up. Not wanting to get angry more...

He then explained how my sword will be red because of how i look or something like that.

I unsheathe the sword.. it didn't changed.. but then it started to change color.. and it's.....

Black?!!!
Haganezuka yelled

Is there something wrong with that?...
I said

He started to pinch my cheeks while complaining of instead of me having a red blade i have a black one..

After that he left angry..

Sheesh.. we'll that was interesting....
I said.

After he left my kasugai crow flew down to me and said i have a mission at northwest Village...

My First missions... Let's see how this goes...
I said. And got inside of the house to get ready...

.....

[yun lang / that's all]

[bye bye]

16

[Tanjiro pov:]

I was walking now at the village. And the sun is still up.

While i was walking around the village i heard many people whispering...

Poor kazumi.. he lost his fiance last night.

Young girls have been disappearing at night..

It must be sad to lose someone you love...

The whispering kept on going when i saw a man, i assume that's Kazumi.. the guy who lost his fiance..

I glanced at the guy.. and walked towards him..

Umm, hello sir... Have you by any chance feel's something different around the village?...
I ask

He looked at me. And said.
You wouldn't believe me anyways.. so there's no point of me telling you....

I will believe you so can you tell me?...
I said.

He showed me where his fiance was last seen..
He said that they were just walking when he turned around only to see his fiance gone. nowhere to be seen.

He even told me that he told everyone about it. Only for the people to think of him like his crazy.

I mean.... People here doesn't even no what demon's are. So I don't

blame them..

I think you should take a rest... The sun is already setting...
He said concerned..

I'll be fine...it will only appear on night... So i should let my guard up... And as for you.... You should be the one taking a rest...
I said not making an emotion.

I..i want to help...
He said with determination..

"*Sigh*" alright then...
I murmured

.....
[3rd pov:]

I wonder what happened to the girls that disappeared at nights....
A young girl said..

And walked towards her room to get some sleep.

She closed her eyes and darkness surrounded her...

While she was sleeping a black water was forming under her bed becoming bigger and bigger. Until the demon took her..

.....

[Tanjiro pov:]

From the distance i can smell demon's there...

I ran through there and kazumi is trailing from behind me shouting for me to wait for him.

This is my job so waiting for you isn't my job.
Your safe since.. your a boy. And the demon only wanted girls .
I thought...

When i got to where i sensed where the demon was. I didn't see it...

But i know it's here. The demon is close..

What a clever way to kidnap girls...
I thought.

I grabbed my katana and pointed towards the ground..

I waited... And waited... And... I put all force to the katana to stab the ground.. when i did it i heard 1.. no 3 demon's scream in pain..

The 3 black hole appeared.. and the other demon was holding the girl.. in a blink of an eye the demon was already gone on the demon's grasp...

I took the girl and gaabe it to kazumi who just arrived...

Protect this girl at all cost...
I said firmly and looked at the demon infront of us..

I'm hungry!!..
The other demon said...

The three demon's just talked or something like that..

You!!, Where did you take satoko?!!..
Kazumi yelled

Oh..i dont know her.. but if any of her accessories are in here that means i ate her already!..
The demon showed all of the accessories of the girls the demon had eatin.

Kazumi was shocked to see that the accessories were there. Meaning she's already dead.

[Tanjiro: Im not paid enough for this author-san.]
[Author : "sigh" im already lazy writing tanjiro.]

Moment later. I can hear Their teeth's grinding because of anger...

Before the could get back to the ground..

Two demon was already killed.

Three demon's looked at tanjiro's direction onky to see tanjiro glaring at them, like his staring through they're soul..

[Author : damn, tanjiro's a badass!!]
[Tanjiro : Arigato?. (Thanks ?)]

Are you alright ?....
I said

Alright?... Alright?!!.. I lost my fiance! What makes me look like i am alright?!!!..
Kazumi said.

He grab me by the collar. And glared at me having tear's both sides of his eyes..

I didnt said anything, instead I removed his hands of my collar.

I stand up. And turned my back from him..

In this world we're living in...You need to continue on living if you want to survive...
I said and glanced at kazumi .

I smiled softly to him and said once again.
I even lost them...

Then i walked away. I can hear kazumi apologizing from what he said.

My kasugai then landed on my right shoulder saying i have my next mission in **asakusa Tokyo.**

••••••

Hello everybody!

Hope ya like this chapter, im not really good at making stories when it comes to fighting.

Hope y'all understand that!

That's all for todays chapter! Bye bye :D

17

[3rd pov:]

Tanjiro has now arrived at his 2nd mission.

And that place is Asakusa Tokyo

Even if it's night... It's not even dark here... So many light's..
Tanjiro whispered to himself..

He has been walking for an hour. And the place is crowded.. he found an alleyway and went through there only to find people kissing

Tanjiro's face turned red from embarrassment.

G-gomenasai!!!
He shouted and bowed, and run from a different place.

A couple of minutes later he have found an udon shop.
And gladly. It was not crowded. Which was.. nice.

He ordered one ramen. He was hungry, after all. He has been walking for an hour.

After a couple of minutes of waiting. Hewas now eating ramen, not until he smelled something powerful.. the scent that the demon was giving off is enough for tanjiro to make his head hurt for a bit.

He suddenly dropped his ramen and ran towards the direction of where he just smelled that powerful scent from earlier..

When the demon was now finally at his vision. He ran towards him and touched his shoulder, making the demon stop walking and turning around on who just touched his shoulder..

Tanjiro eyes went wide because of shock to see muzan infront of him..

Tanjiro was about to take out his katana only hear a kid..

Papa?..
The voice said

The kid pointed towards tanjiro and said.

Who's that?.
The kid question tilting her head because of how curious she was.

Now tanjiro was really shocked at this.

H.…His living here... As a human?!!!..
Tanjiro screamed at his mind.

Honey?, Who's that??.
Another person said, she looked at me and smiled.

I don't really know him... Maybe his just lost?
Muzan said

Do you need help young man?
He added and smiled.

But judging by his scent, he was getting a bit irritated.

When another couple passed the four of them.
Muzan took this chance to make the person a demon who just passed by them.

Muzan reassured the the woman and the kid that they should get going, not worry about tanjiro.

Muzan glanced a little at tanjiro and left.

Tanjiro shouted at muzan that he will one day kill him.
And make him suffer.

The person who was just now turned into a demon.
Was ofcourse losing control.

Many people looked at what was happening..

Then police officers ready to taze tanjiro. Until a bunch of flowers surrounded them.

Even if his already turned into a demon, you still call him a person.
The woman said.

Here let me help you.. I wanted to kill that man too..
She added

The demon that helped tanjiro already took care of the man that has just been turned into a demon.
And she treated the woman that got bit too.

Tanjiro came back from the udon place (?)

That man got mad for tanjiro because of him not finishing his udon earlier so he ordered 2 bowl's of the udon (?) .

After he ate, another demon was getting closer to tanjiro.

Lady tamayo wants you to have a talk with you...
A guy who has a mint colored hair?. Said to tanjiro.

Tanjiro didn't spoke but just nodded and they walk to their hideout..

.....

Hey everyone.

18

[2nd pov:]

Master...
Two demon's said kneeling infront of muzan.

I want you to capture a boy that has a
Long burgundy hair.. and has a hanafuda earings..
And bring him to me.. do you understand?....
Muzan glared at the two demon who was kneeling infront of him.

Understood.
Two demon's said in unison and disappeared.

[3rd pov:]

Listen here you... I don't even know why Lady tamayo wants to talk to you, but do not do anything that will offend her, got that??..
A demon that has a mint colored hair said

Tanjiro only nodded.

(Time skip;)

I am Tamayo. And this boy here is yushiro my assistant. I do hope you two get along
Tamayo introduced and smiled softly to tanjiro

And i am. Kamado tanjiro.. nice to meet you too..
Tanjiro said having no expression shown.

They talked and talked about muzan and how she turned yushiro into a demon.
And they even talked that it is possible to make demon's turn into humans back, she only needed a blood from muzan or from lower

or upper moons.

Tanjiro suddenly stand up making the two demon in the room confused...

GET DOWN!!
Tanjiro yelled.

Then a tamari ball bounced inside the house making some parts of the house fall and making a dust surround the area..

Look! We found them!
A demon that is holding a tamari ball said

Look what you've done susamaru!, There's dust in my yukata now..
A demon that has an eye on his hands said having an irritated voice.

Don't be silly yahaba. Atleast we found them!
A demon who is named susamaru said.

Susamaru then looked at tanjiro and examined him.

Long burgundy hair... Hanafuda earings...
You must be him!!.
Susamaru said

Lord wants him unarmed.. let's take him and kill those two demon over there..
Yahaba said

Let's play!!
Susamaru said excitedly, she threw many tamari balls heading towards tanjiro only to be sliced..

Tamayo-san please go and find some safe..
Tanjiro said calmly..

Carry on the fight, dont worry about us. We're demon we'll just regenerate!.
Tamayo said.

Tanjiro only nodded

Shut up you traitor!!.
Susamaru yelled

You..what does muzan want from me?...
Tanjiro said sternly

I see why Lord wants you to have you for himself..
Yahaba said..

Let's take him!
Susamaru said

The two demon's attacked at the same time..

When tanjiro got closed from the two demon,he didnt used any breathing.. he only relied on his sword which has a wisteria on it..

Ha! All you do is slice us with that filthy sword of your's!!..
Yahaba said

We can regenerate in no time Hahaha!!!
Susamaru said

Tanjiro put his katana on it's case once again leaving the four demons confused.

Oi! What do you think your doing?!.
Yushiro said..

Are you alright tamayo-san?.
Tanjiro questioned.

Yes but..
Tamayo looked at the two demon who was just there confused or just being cocky

They'll end up dead.. just wait for it.....
Tanjiro said having no emotions once again!

Ha! Do you really thi--

Susamaru got cut off

When she started to tremble.

Her body melting, same goes for yahaba..

What did you do??!!!
Yahaba said.

Tanjiro just looked at the two demon that is melting. Having such a painful death..

"***Sigh* glad it worked i guess....**
Tanjiro said.

.....

I edited it :D , anyways I'm getting lazy so ill do another chapter by tomorrow:D

19

[Tanjiro pov:]

Ill get going now tamayo-san.

Me and yushiro will now have to move into different places. Muzan is getting close to us..
Tamaya said having a concern face

Hm. becareful... Tamayo-san..and. you too..

"Huffs"
Yushiro huffs

I then left the place. I already finished my mission here in asakusa tokyo..

I wonder if shiori is doing good too.

[Time skip]

While i was walking to my next destination.

I saw shiori walking the same direction of where i was going..

Shiori!

[Shiori pov:]

My kasugai crow flew towards me saying i have a mission.

While i was walking i heard a familiar voice calling for me.

"Huh?"
I turned around and saw tanjiro running towards me.

I smiled and waved back too

[Back to tanjiro pov:]

I saw him wave back

Hello tanjiro, good to see you again!
Shiori said smiling so brightly

Dude, you're too bright...

"Hm. It seems were going on a same mission?"

"Yeah!"
He said happily

Me and shiori talked on how are mission was.

We were just chatting when we heard a lady yelling at someone. And a boy too..

Me and shiori made eye contact and look to where the yelling was coming from.

When we got closer we saw a mop looking hair begging for marriage.

Isn't that the yellow haired boy at final selection...
Shiori said.

Like i care.. he's noisy.

He's... actually noisy...

I walked towards them and lift him up and remove him from the girl..

Shiori walked towards the girl and ask if she was okay.
The girl nodded and thanked us

What are you doing!!??, She's supposed to marry me!!???, She likes me!!!.
The yellow haired boy said

Then the girl walk towards us and slapped the boy .
Saying she doesn't want to marry him because she already has a

fiance.

Shiori have to grab the girl gently so she cant hurt the boy more..

The girl then leave, leaving me and shiori and this annoying person...

This is all your fault!!!..she was supposed to marry me!!!.
He yelled.... Again...

I only looked at him disgusted...

Dude... Shut up...

Oi. Say something!!. Dont look at me like that!!!!, Aaaahhhhh!!!!!!.
He yelled again.

This person, is fucking annoying.

I could see shiori looking at me with concern then to the annoying boy.

A-ano...
Shiori started

What?!!!
The boy yelled

I could see shiori flinched.

W-why.. did you join the final selection if your..scared?
Shiori said

He stand up and we now started to walk om the same direction.. he started to talk on how his gramps trained him even tho he didn't want to...

And his name is **Agatsuma Zenitsu**

After explaining.. he calmed down... Saying his hungry...

Shiori then gave him a rice ball

Here... Eat this.
Shiori gave him a rice ball and smiled

Thanks....
He said

Aren't you hungry too?...
He added.

That's the only rice ball i had!. But it's okay, your more hungry so you should eat!.
Shiori said

[Zenitsu pov:]

I met this two demon slayers...
I saw them at final selection too...

The one that has a white hair and blue eyes is named
Tamadashi Shiori

And the one that has a long beautiful burgundy hair is name ,
kamado tanjiro.

Wait did i just say beautiful?.. huh?.

I explained to them how my gramps trained me and let me join in final selection. After that i was hungry..

Then i saw shiori giving me rice balls.

He gives me big brother vibes.

I accepted the rice balls he gave me..

I questioned him if he was hungry too..

Then he said it's fine cause im more hungry then him.

I just met him, yet i already admire him... He gives a big brother aura.. and his heart beat is very calm.

[Tanjiro pov:]

I remember i have a rice balls..

I took one rice ball and make it into halves.

Here. Shiori.. you need food too...
I said...

Arigato!.
He smiled and grabbed the half rice ball i gave to him and he ate it happily.

Shiori and Zenitsu just talk. Shiori would sometimes ask me questions and ill just answer.

After sometime we saw a big house..

Guess this is our mission ?. A.... House??

.....
712 words !!!

[3rd pov:]

The trio has now reached Their destination.
And infront of them is a big house.

What's... what's this sound?...
Zenitsu said confused.

Making the two to look at him confused.

Sound?. I dont hear anything..? But i can see many aura's inside... Not only that.. there's a two humans alive in there aswell.
Shiori said

Aura's?..
Zenitsu said confused.

Hm..
Shiori nodded.

It's smell's rotten...
Tanjiro said bluntly.

Zenitsu look at him confused.

Smell?...
Zenitsu again said confused

Tanjiro just ignored him not wanting to answer.
They we're about to move when,
The trio heard rustling in the bushes.
Which alerted the trio.

Zenitsu kept shouting making tanjiro's eye's twitched in annoyance.
Zenitsu keep hugging tanjiro too.

Shiori walked closer to the bush only to see two kids trembling in fear..

[damn i feel like, instead of making a Tanjiro harem i am making a Oc x kny Lmao, which i am going to do in another book one day!]

Oh?. Hello there!.
Shiori said waving at the two while smiling softly not wanting to scare the kids.

Shiori was ofcourse trying to think of something. And an imaginary light bulb light up beside his head.

He crouched down and opened his palm.

Look!.
When he opened his palm Zenitsu's sparrow landed on his hand and did his dance.

The two kid immediately felt safe towards him making the two kid's to calm down..

Say. Is that your house?.
Shiori said tilting his head to the side abit.

N-no!. Th-thats not.. out house!, That's.. a monster's house!!..
A boy who seems to be older then the other one spoke.

The two kids explained what they know.

Making shiori hm satisfied of the explanation the kids gave to him.

A couple of minutes later tanjiro could feel a person going out of the house with such great force..

Tanjiro moved and was able to catch the person who just got yeeted out of the house..

I-i... I m-made it out..!
The person said having such a hoarse voice.

Zenitsu looked at the person frightened which he scooted closer to shiori and the kids..

Shiori covered the kid's eye's not wanting to see the person who just got yeeted.

The person just keep mumbling stuff..

Even he got out he still died...

Is... He your brother?.
Shiori asked the kids only for them to say no.

They then explained how they're older brother looked like..

Shiori nodded and stand up..

Alright. Were going in. You kid's stay here okay?
He said. While smiling softly to the kids.

What??!.. im not going in there!!???. No don't leave me please!!!!??
Zenitsu kept shouting only for it to be ignored

Tanjiro's ear might aswell explode because of how loud he is..
Even tho Zenitsu didn't want to follow them, he still followed them nonetheless...

[Now i feel like i am making shiori the protagonist here bruh]

The three of them now is inside the house..

Leaving the two kid's outside ofcourse..

Zenitsu kept shaking. When he took another step. The floor creaked making Zenitsu scared...

And shiori who was in the middle got pushed my Zenitsu's butt.....

His fucking booty....

Making them separated..

[Tanjiro's pov:]

When the three of us entered the house. It was actually big... And it has many door's too...

When we walked a bit i heard a creaked floor which was caused by him.

And i saw him got alerted and got scared..

Shiori who was in the middle just got pushed by Zenitsu's freaking butt.. making us separated.

Zenitsu being all alone while me and Shiori together..

Z-zenitsu!!, Can you hear me!!! Are you alright?!!
I heard shiori shout from behind me.

I can sense that shiori is getting worried.. a put a my hand over his shoulder making him look at me..

He'll be alright... Believe in him... He's strong on his own way...
I said which made him sigh..

' *I dont even care about him. He's loud anyways* '

[Shiori pov:]

Z-zenitsu!!, Can you hear me!!! Are you alright?!!
I screamed. Now getting worried of our new friend.

I felt a weight on my shoulder making me looked at tanjiro..

He'll be alright... Believe in him... He's strong on his own way...
He said.

I did calmed down for a bit when i sensed a happy aura emmitating him..

And i do not know why he is happy about that. Which made me nervous a bit..

' *t-tanjiro? Why are you happy now's that he's not here?* '
I thought as i sweatdropped.

'now im getting more nervous about this.! I hope you okay zenitsu! '
I thought

[Zenitsu pov:]

I got separated from the two.

'this is it!!! Im gonna die here!!!!! I'm too young to die! I am not even married yet!!!!!! AAAAAAAHHHHHH !!!!! '

any moment i can hear a faint scream from far away. And.. it was shiori..

Shiori-kun!!!! , T-tanjiro-kun!!!!
I yelled trembling...

Any later i heard a voice behind me.. making me tremble more..

What's this? A human?, I sure am lucky! Hehe~
The voice from behind me said

[Now back to tanjiro and shiori]

While the two was walking around tanjiro sensed a human inside the room..

I glanced at shiori and it seems he noticed it too. I decided to open

the door only to see a kid..

Hey there !
I heard shiori coo-ed .

The kid seemed to relax at shiori's presence..

Tanjiro... Do you think this is their brother?
Shiori asked me..

I observed the kid...

" I think that's him... "
I said and i saw shiori nodded back

The two talked for abit.

" Ne, i want you to stay here okay?, Well come back for you after we slow the demon's, if a demon show's up play that instrument of your's!"
Shiori said and smiled

" We'll come back for you we promise!"
He added

Then he said that if we now exited the room he'll play the instrument he's holding.

Me and shiori left the room and he shouted to play the drum which he obliged..

We looked at each other nodded, walking off trying to find the demons..

.....

1026 words!
Damn that's a lot!

Hope you liked this chapter!
I'll be making a new chapter tomorrow!!

Bye bye ✨👋

21

[Shiori's pov:]

Me and tanjiro are now walking the hallway's.

We entered a room only to be teleported to anothe room, but this time it's really big.

Woah...
I trailed of.

I can feel another Aura coming our way.
And it's a demon..

And another Aura... Well it's wierd tho. But it still is a human tho.

Tanjiro looked at the entrance door, and there stood a demon that has a drum thingys on it's body.

I on the other hand look at the wall?.. the human is going to barge in.

Tanjiro.. there's another human coming this way.
I said. And he nodded back

The the human actually did barged in, through the wall.

His bare chest showing.. and he wore a Boar head(?)

'eh?'

[Tanjiro pov:]

Woah..
I heard shiori say's.

I can sensed someone coming out way.

The other one is a demon and the other one is a human, and he is a demon slayer too...

Tanjiro.. there's another human coming this way.
Shiori said, and i nodded back.

Then the said human barge in...

I could see shiori was confused then i saw his eyes sparkle?. What?.

Then i remembered...

'isnt that the annoying boar head who wants to picka fight with shiori???..'
I thought getting irritated..

[Okay so first of all, Tanjiro just respect shiori so much okay?, Like how other hashira's would respect they're master, if a person hurt him tanjiro will hurt him back.]

"Oh!! I remember you!!! And were not done yet!!!"
I heard the boar head said.

Then the boar head turned to the demon..

"FINALLY SOME DEMON!! AHAHAHA! COME FIGHT ME!!"
the board head shouted. And charged towards the demon.

"A-ah!! Wait!"
Shiori yelled

Then the demon played the instrument only for the room to tilt sideways. Making the three of us fall.

I landed on my feet, shiori landed perfectly and as for the boar guy... He fall through the door and was sent to a different place i guess..

"You... You're.... A marechi..."
The demon said pointing towards shiori.

"Sigh... Let's just get this over with ... Shiori..."

I said making him look at me and he nodded.

[3rd person pov:]

The room then again tilt side way's making the two od them to fall.

The demon kept playing it's instrument. Sending claws... Making the room side way's.. aga,in.. again.. again..

Then a cabinet opened and papers went out..

Huh?.
Shiori murmured.

They didnt step on the papers on the grab.

Shiori picked one of the papers and read it any moment his Eyes sparkled.

Woah!. The story is amazing!
He said in excitement

The demon was caught off guard making tanjiro to charge at him. Making it's head fall of..

Did you made this?. Cause the story is Amazing! Not only that it's inspiring too!
Shiori said..

The demon cried. No one really complimented it's work. So he appreciates the compliment coming from shiori...

[Time skip]

The two demon slayers went to search for the kid..

Shiori...over here.
Tanjiro said

Okay!
Shiori said

Tanjiro opened the door only to see a book charging at them. He

Dodged it. But the book hits shiori's head.

Ow!
He winced

Tanjiro panicked abit

A-ah, go-gomenasai.. shiori.
Tanjiro said

Ah, haha it's fine!.
Shiori waved his hands reassuring him that he was fine.

Ah! I-im sorry!!. The instrument i was holding became crumbling away so i didn't know what to do!n im sorry!!
The kid yelled

It's fine don't worry about it. How about you? Are you okay, did you get hurt??
Shiori said worried about the kid.

I-im good..
The kid said

Okay... Now that his fine.. we can leave now.
Tanjiro said

Hm. Hmm!. Let's go!!
Shiori said getting excited.

'how is he so excited? .. we literally just defeated a demon and here he is like nothing ever happened'
Tanjiro thought.

Here I'll carry you, hop on my back.
Shiori said calmly

The kid obliged, and now they left the room..

And off they go..

I wonder if Zenitsu is okay.

Shiori whispered. But tanjiro heard it.

He's probably dead by now...
Tanjiro said nonchalantly.

Eh!??, T-tanjiro!!!.

What?... He's annoying anyways...

Well that's true but... He's our friend!!!..

We just met him...

Yeah but he's still our friend!!

Tch..

.....

If you're wondering how tanjiro is liked that.

Is because i wanted to alright?
I mean he's emotionless. A giyuu 2.0
But tanjiro doesn't care about no one except for shiori.

Anyways, that's all for today's chapter!

22

[3rd person pov:]

"Look an exit!"
Shiori smiled

"Yup.."
Tanjiro said

When the three of them have gotten close too the exit.

The three of then could see the boar head guy beating up Zenitsu..

The boar head guy who is named inosuke kept asking to fight but Zenitsu refuses..

"FIGHT ME!!"
Inosuke said.

"OI!, What do you think your doing!?"
Shiori who saw his friend getting beat up made him worried and angry at the same time

Tanjiro who can sense that shiori was getting sad made him a bit angry. Making his eyes twitch in annoyance.

"Huh?.. oh you again!!! Were not finish yet FIGHT ME!!"
inosuke yelled excitedly.

Shiori was really worried about his friend. But fighting another person is something he wouldn't want to do.

Tanjiro disappeared beside shiori and reappeared behind inosuke doing a karate chop on his neck making him unconscious.

"Hes fast!!"
Inosuke thought.

"Tch... You fighting shiori is something i would not want to happen.. you're annoying.."
Tanjiro said under his breath.

Shiori let the boy down to the ground making the boy ran up to his siblings. And hugged them.

Shiori's attention went to inosuke who was laying the in the ground.

" You dont have to do that you know..."
Shiori said trailing off

"Tch... He's annoying...'
Tanjiro said

" Zenitsu are you alright?"
Shiori said worriedly

"Hm.*sniff's* im sorry *sniffs*"
Zenitsu says

" There's no need to be sorry about.*sigh* lets give the dead people inside a proper burial.. "
Shiori said patting zenitsu's back a bit.

Tanjiro nodded and zenitsu aswell.

"Wow... Glad his not annoying for now..."
Tanjiro thought.

Tanjiro went inside the house to find dead people to burry ofcourse.. zenitsu helped aswell.

The kids help shiori dig a hole .

Inosuke is just sleeping.

Tanjiro's haori used for him to lay down.

Zenitsu's haori used for a pillow

And shiori's used for a blanket.

•••••••

Sorry for the short chapter :D

But hope you like it :>

23

[Tanjiro pov:]

Shiori and the other kids are digging a hole while me and zenitsu went inside the big house to find some human's inside that is already probably dead by now..

..

I got out of the house carrying 3 people.
While zenitsu carried 2.

There i saw shiori snd the kid's praying.

And the boar head guy who is named inosuke. Still remained asleep..

We burried the people we got and prayed for them.

Any moment i heard a scream not far away from us..

'*Oh.. he's awake.... '*
I thought

"**AAAAUUGHHH**"
he screamed.

Inosuke looked at us having a confused face.

"**You!, What are you guys doing??!**"
Inosuke said.

"**We're burying people..**"
I said

"**You should help us!.**"
Shiori said and smiled softly

"Nevermind that, fight me!!!"
Inosuke said pointing at shiori and smiling widely

"Sorry I ca--"
I cut him off

"Oh no.. it's okay.. maybe because since i karate chop your neck maybe you became weak that's why you can't help us anymore.. just rest and we'll take care of this.."
I said sarcasticly.

He then became quiet. Shiori was about to call him when he screamed.. saying no matter what. Even if it's 100 or 200. He'll bring it.. he then started to go inside the house to go and find some dead people or something..

"*Sigh* he's very annoying.."
I said i then heard shiori chuckled a bit.

"Let's just get this over with"
Shiori said and smiled

All of us nodded and went back to work..

[Time skip]

The sun was now setting. And all of the corpse inside the house has already been burried..

Inosuke on the other hand just kept head butting stuff..

"Is that dude okay??"
I thought

"A-ano... Is he... Okaay???"
I heard Zenitsu whispered to shiori.

"Probably not. Just leave him be.."
I said nonchalantly.
And zenitsu just nodded. Shiori just looked at him with worry.

Then our crow/Sparrow is now above us flying saying we can now

go somewhere..

My crow went to the kid demanding him to open his palm..

"Did that crow just... Talk?,"

"Just dont look at it.."

"Okay.."

[3rd person pov:]

Zenitsu fainted. Maybe because he was tired.

Shiori went to him so he can carry him. And so they're journey begun.

Tanjiro and inosuke seemed to be arguing. Because of inosuke mispronouncing names.

Zenitsu screamed at this causing them both to shut up

This is a very chaotic day huh..

And tanjiro seems to not like it.

Shiori just sweat dropped. Sensing tanjiro getting annoyed because of inosuke mispronouncing names...again...

'what a Chaotic day it is..'
Shiori thought, a sweat rolling down his face.

"*Chuckles*Tanjiro. Just leave him be."
Shiori said.

[Time skip!]

The four of them have now arrive at their destination.

There stood a gate infront of them.

"The four of you will have to take a rest caw!"
Shiori's kasugai crow said.

"**Hm.**"
Tanjiro hummed

Then tanjiro's crow arrived.

"**CAW!! REST, YOU FOUR WILL TAKE A REST CAW! CA--**"
tanjiro's crow was cut off by inosuke

"**Shut up you dumb bird..hm how about i eat you, ahhh**"
Inosuke opening his mouth.

"**H-hey! Dont do that!!**"
Zenitsu shouted.

Then the gate opened revealing an old lady.

"**KYAHHHH, A MONSTER, PROTECT ME !!! SHIORI, TANJIRO!!**"
Zenitsu grab onto tanjiro's haori making his eye twitch.

"**That's not a monster you idiot..**"
Tanjiro said sternly.

.....

It's just a hobby of mine i guess.
I dont really sleep early so im good :]

Sorry for the short chapter tho :>

!Bye bye!

24

[tanjiro pov:]

The four of us are now inside of a estate (?)
The old lady showed us our rooms. And gave us clothes..

Zenitsu kept shouting that the old lady is a monster.
He's even clinging too much into shiori.

It's a human not a monster damnit.

For inosuke. He's not shouting much. Which is good.

The four of us are inside a room. The four of us are sitting waiting for the doctor to check up on us.

Shiori has 1 broken ribs same as mine.

Zenitsu has 2 along with inosuke.

*Sighs. This sucks..

"Is everything okay tanjiro?"
I heard shiori asked.

"Hm. Im good."

"Okay then!"

.....

Sorry for the short chapter everyone!

25

[3rd pov:]

1 month has passed and they are already good to go.

The four boys are now outside the gate. Saying goodbye to the old lady..

Then off they go to their new mission.

The three just talked while tanjiro just keot quite not wanting to join the useless conversation they are having.

Are we there yet?.
Zenitsu say's exhausted

I think we're getting close tho.
Shiori said

Tanjiro and shiori doesn't even looked exhausted.
They trained for like day's. Ofcourse they wouldn't get tired.
